Information Regarding H/O Dues

Revised: April 02, 2010

The Homeowners dues for Miraleste Shores Estates are due the same time every three months as follows:

January 1	Late: January 16
April 1	Late: April 16
July 1	Late: July 16
October 1	Late: October 16

The Homeowners Association sends out a reminder a few weeks before the dues are due, but in no way does this relieve your responsibility to pay your dues on time, if for some reason you don't receive this notice.

Mark your payment due dates on your calendar, or make your total payment for the year on January 1, and you will not have any dues payments until the following year.

Thank You for Your Cooperation.

Miraleste Shores Homeowners Association.
